How to keep rust off of a table saw.

Last Updated: Friday, March 29th, 2013, Created: Sunday, January 14th, 2001

David from St. Catharines, Ontario suggests using a product called TopCote to keep your table saw free from rust. You got it right David -- this is the truly professional answer to the problem. Right up there for good performance is hard car wax -- because it won't come off on your wood and bother the finish.
