Home made non-toxic cleaners

Last Updated: Wednesday, September 15th, 1999, Created: Wednesday, September 15th, 1999

Here are some home made non-toxic cleaners:

Copper Cleaner -- Salt & Vinegar

Silver Cleaner -- Tooth paste

Drain Openers for Grease -- 1 cup Baking Soda; 1 cup vinegar; 1/2 cup salt
20 minutes later slowly pour boiling water down the drain

Furniture Polish -- 1 tlb spoon mineral oil or almond oil
1 tlb spoon vinegar and 1 cup water

Glass Cleaner -- Undiluted Lemon juice

Toilet Bowl Cleaner -- 1 Cut vinegar with a handful of baking soda

Fungicidal Paint -- 1 spoonful of Baking Soda in 2 liters of any paint

Insects: Ants -- Cream of Tartar put across their path

Cockroaches -- Bay Leaves and Cucumber Skins
