# Home made non-toxic cleaners

Last Updated: Wednesday, March 27th, 2013, Created: Tuesday, September 14th, 1999

Here are some home made non-toxic cleaners:  
Copper Cleaner -- Salt & Vinegar  
Silver Cleaner -- Tooth paste  
Drain Openers for Grease -- 1 cup Baking Soda; 1 cup vinegar; 1/2 cup salt 20 minutes later slowly pour boiling water down the drain  
Furniture Polish -- 1 tlb spoon mineral oil or almond oil 1 tlb spoon vinegar and 1 cup water  
Glass Cleaner -- Undiluted Lemon juice  
Toilet Bowl Cleaner -- 1 Cut vinegar with a handful of baking soda  
Fungicidal Paint -- 1 spoonful of Baking Soda in 2 liters of any paint  
Insects: Ants -- Cream of Tartar put across their path  
Cockroaches -- Bay Leaves and Cucumber Skins
